Welcome to the Florida Secured Transaction Registry

The Florida Department of State privatized the process of filing and maintaining the Florida Secured Transaction Registry, effective October 1, 2001. Image API, Inc., and its partner the Florida Bankers Association, have been selected as the vendor for this contract. If you have questions, please email us at: help@FLORIDAUCC.com or call us at 850.222.8526.

Please note: FloridaUCC, Inc. is located at:
2670 Executive Center Circle West
Tallahassee, FL 32301

Notice: To the best of our ability we have attempted to remove all social security numbers from this website. If you should see a social security number, please email us at: help@floridaucc.com or call us at: 850-222-8526 with the location of the number so that it may be removed.

Please note: Over the weekend of January 5-7, 2007, the Florida Secured Transaction Registry experienced technical difficulties that resulted in some filings being posted with an incorrect filing status. The technical difficulties have been resolved and procedures implemented to prevent a reoccurrence. Filers should review their recent filings to confirm that the status of their filing is accurately reflected in the Registry.

Please note: Over the weekend of October 18, 2003, FloridaUCC, Inc. made updates to this web site in response to legislation passed in Florida Statutes Chapter 679. The filing status designations of "Active", "Inactive" and "Lapsed" were updated to "Filed" or "Lapsed". All search options involving debtor names were updated to incorporate the Filed and Lapsed status designations.

Effective Sunday, April 17, 2005, FloridaUCC, Inc. staff will no longer perform searches of the Florida Secured Transaction Registry. The floridaucc.com web site will not be affected by this procedural change.
